Russell, the counsel for Stone, the trial of the case was postponed to the September term of the Court, and as Mr. Clayton was about to return te Georgia, his deposition as well as the examination of Stone, and the other papers sworn to at the Police Office, wer handed to thee court to determine whether the bill could be sufficiently identified to warrant its being given up to Mr. Clayton, the complainant. The store was entered by drawing out the staples of the back window, and there were two others, named John Tay-lor and Thomas Wray alias Fitzgerald, who were charged with being concerned and were impleaded with prisoner in the indictment. Six sets of the harness, a trunk and two horse-blankets belonging to Mr. Buckmaster was found by officer James S. Smith in a shop in Houston-street, under the floor, and accessible through a trap door. Part was also ex-posed for sale in the shop which was attended by prisoner. There were various articles of hardware, boots, &c. found in the shop. Owen Gaffney deposed that the accused hired the shop where the barness was found, in Houston-street, of him in the early part of June, and paid him a month's rent in advance therefor. He fitted it up and witness saw some harness there. Burns was there in attendance himself, ma-king and mending harness, &c. No one was with him. An-other witness who had a shoe shop next door deposed that Germans have, within the last six months, settled on the wild lands in Western Pennsylvania, and many others, foreigners and Americans, are about moving to these fertile lands. One association of Germans, says the Ledger, about a year ago pur-chased 33,000 acres, and have upwards of one was a saddle and harness maker, and that Taylor hirad him at \$7.50 a week to work at his trade for him in the Houston-street shop, giving him the number. Taylor wanted Burns to raise \$60 to go into partnership with him, and asked Burns's sister to advance the money for him. The jury found the prisoner guilty. Chapman, No. 91 William street, and selecting 6 linen and 6 cotton shirts, 12 satin stocks and silk cravats, which he said the Messrs. Vernal of the corner of Chatham and Duane streets had sent him to purchase to enable them to complete an order in haste. He asked for a boy to carry the articles around to Messra. Vernal, but being told by the lady in attendance that she had no boy, he requested permission to carry the stocks and cravats around himself as they were wanted immediately cravats around himself as they were wanted immediately— and that he would leave the shirts for an hour until the boy came. He received permission, and carried them off—the stocks and cravats worth \$17.50, and was not afterwards seen. On sending the shirts to Messrs. Vernal, the boy was told that so such articles had ever been ordered, and Mr. Chapman was compelled to pocket the loss of his wares.— Smith, alias Lewis, was, however, arrested on Tuesday evening, and being identified by the lady attending, he was committed to answer this, and also another similar charge

TUESDAY, Aug. 9 COURT OF SESSIONS .- Before the RECORDER.

Judge Lynch and Alderman Hatfield. TRIAL FOR FORGERY .- Robert Lundy, impleaded with Lewis J. Morrison, was put upon his trial for forgery in the 2d degree, in having, on the night of the 17th of June, passed two \$3 counterfeit bills purporting to be of the Suffolk Bank, Boston—one of them at the box office, and the other at the pit office, of the Chatham Theatre. Information of their passage having been given to officers Durando and Stokeley by Messrs. Vultee and Farley, who attend the offices of the theatre, they went to the house of bad repute 18 Grand-st. and made enquiries, and soon after saw a hand and arm with a shirt sleeve thrust out of the window, and five \$3 bills of the same kind that had been passed thrown out on the ground. They were picked up by the officers, who, on going up itairs, found Lundy and Morrison in the room from whence the bills had been thrown, and arrested them. Lundy said he would rather give \$20 than go to the Police Office, but yielded and west. To prove the guslty knowledge and criminality of Lundy, Morrison, his partner in iniquity, was examined for the prosecution. He is a young man here-tofore respectable and deposed that Lundy was introduced to him by a man named Travers, as was also another man that Lundy wished him to embark in the business of passing \$3 counterfeit bills of the Suffolk Bank of Boston, which he said would soon come out. He detailed the conversations had at several interviews, in each of which the versations had at several interviews, in each of which the arrangements for passing the bills were talked over. Travers, who was to go with Lundy, finally declined, and Peter O'Brien was to go with Morrison, but Lundy at length agreed to go with Morrison. Lundy told him he must take only one bill at a time, pass that, send him the money, and then take another. Lundy accordingly handed Morrison thirty three of the \$3 bills white and new which Lundy taught him to color by passing them twice through a solution of tobacco and brandy. Lundy then gave them out to Morrison who passed them. After Morrison had passed the bills at the Chatham Theatre, he was called upon to redeem them at 13 Grand street, and did so. Morrison said he was

them at 18 Grand street, and did so. Morrison said he was from Amsterdam, Montgomery county, and had been in two several stores as clerk in this city.

William B. Travers sleposed that Morrison never knew Lundy until he introduced him. That witness had known Lundy for 13 years; had known of his having been in State Prison, and of his wishing to get Morrison to pass counterfeit money for him. That Lundy also tried to get witness to pass counterfeit money, but he finally declined. This witness corroborated much of the testimony of Morrison. Jas. S. Dickenson deposed that Morrison passed one of the \$3 counterfeit he store of Mr. Patterson, corner of Bowery. interfeits at the store of Mr. Patterson, corner of Bowery and Division street.

John Farley deposed that Morrison passed one of the bills

John Farley deposed that Morrison passed one of the onis to him at the Chatham Theatre, and was with the officer at the time of the arrest at No. 18 Grand street.

Mr. Chapman deposed that Morrison passed one of the counterfeits to him for a shirt bosom. A shirt bosom supposed to be the same was found in the room 42 Green-st. that had been occupied by Lundy. Officer Stokely on arresting Lundy found a number of good bank bills in his coat packet loosely stuffed in. The case was summed up by Mr. Abner Benedict for the accused, and by the District

Mr. Abner Benedict for the accused, and by the District Atomey for the prosecution. The jury found the prisoner guilty, and the Court sentenced him to the State Prison for 10 years.

A nolle prosequi was ordered in the case of Merrison.

MONEY MARKET.

Sales at the Stock Exchange, Aug. 10. SECOND BOARD, 

Commercial and Money Matters. WEDNESDAY P. M. There was a larger business at the Brokers' Board than for some days past. There was a better feeling and prices had an upward tendency. Delaware and Hudson improved per cent, Mohawk 1, Harlem 1, Long Island 1, Stonington 1. Marlem does not seem to work exactly as some of the brokers wish.

State Stocks were firm but nothing doing excepting some small amounts of New-York City Sevens, the last emission sold at 1 prem. For State Sixes, 1862, 89 offered, 91 asked-Fives, 1858, 801 offered, 811-518, 1861, 83 offered-418, 1849, 75 offered, 82 asked; Ohio Sixes, 1856, 76 offered, 75 asked; Kentucky Sixes 74 offered, 761 asked-Fives 60 offered, 64 asked. The sales were:

88,2,000 N. Y. 7s, 1849 .... 1001 \$3,000 N. Y. 6s, 1262 .... 90 \$1,000 do 51, 1861 .... 83 \$600 N. Y. City 7s, 1852.1001 There is a fair demand for Exchanges for the steamer, but the small amount of bills offering prevents a large business. The rates have improved somewhat and leading ster ling bills are now quoted 7 a 74; Francs 5.371 a 5.35. On Amsterdam 382 a 39, Hamburg 343 a 35, Bremen 75 a 754. No change to-day in Alabama funds but they are heavy.

Decatur continues as bad as Mobile. All descriptions are dull. We quote 

The following stocks were sold at auction yesterday by order of the Comptroller for account of the New-York Banking Company: \$10,000 Illinois 6s, 1870... 16 \$10,000 do 1260... 17 The tolls received in all the Canals of this State up to the

1st of August were in 1841 ...... \$912,214 Decrease during the present year .......\$161,267 Upwards of fifty thousand dollars in specie was taken

vesterday for New-Orleans. In the Boston market money is abundant at 6 per cent per annum on unquestionable paper. The banks discount freely, and yet such is the present distrust that there has seldom if ever been known a time of greater difficulty in negotiating paper than the present.

In the Sesate of Ohio on the 2d inst, the committee on finance were instructed to inquire into the expediency of providing by law for receiving the notes of the Bank of Chillicothe and the Franklin Bank of Columbus, in payment of dues to the State, to the amount of the State's indebtedness to those Banks.

In regard to an impression that the Comptroller had called in the surplus proceeds of the public lands, called the U. S. Deposite fund, which had been loaned out in different parts of the State, Mr. Flagg states that this is incorrect. That the money called in is that portion only of the deposite fund which was in consequence of the failure of the United States to pay the 4th instalment borrowed of the Canal Fund. This money (\$917,385) is new needed to redeem the Canal stock of 1845, and for that purpose is called in, the borrower being entitled to one year's notice.

At New-Orleans the market continues in a very feverish state. The notes of the suspended banks are getting worse and no longer used as a circulating medium.

There was no considerable demand for specie at Nashville after the resumption, Branch Bank Tennessee nates 3 a 5 discount. Sight Exchange on New-York 2 a 3 prem.

The Thomson, Son of the Founder of the Thomsonian System.—I saw by The Times of yesterday morning that this noted character had taken an office at No. 343 Broome-street, three doors from the Bowery, and I called to see him just in season to witness what appeared to me an astonishing result in about tea minutes from the effects of his medicine. Dr. Thomson at once told her all her symptoms and feelings, without a word from herself, better than she could have done, and then told her that be would relieve her in a few minutes.—
He gave her some medicine, and in ten minutes she said that she felt better than before in a week. She arose from her she felt better than befare in a week. SANDS'S SARSAPARILLA.—The proprietors submit to the public the following certificate, from a highly respectable source, of a cure made by using their preparation of Sarsaparilla, which cannot but have the effect of placing beyond all doubt the curative powers of this medicine

"New-York, August 3, 1842.

"Messrs Sands—Gentlemen: Under a feeling sense o rratitude inherent to us all when suddenly relieved from suffering and disease, I now, as an act of justice due to you, and with a view of relieving the afflicted, make known to the world the inestimable benefit I have received from the use of your Sarsaparilla. In the year 1832 I sailed from England in a vessel bound for Quebec, and while on the passage first discovered the disease which after proved to be a sore affliction; and truly I can say, 'from the crown of my head to the sole of my foot there was no soundness in me.' From the time first mentioned down until the present, a period of more than ten years, I have suffered all that human nature was capable of bearing. I have been under the care of the most distinguished physicians both in this countries. try and in England, visited Bath, Cheltenham, Bristol and Gloucester, tried various specifics, among others a large quantity of Swaim's Panacea, used sulphur baths, &c &c. As a last resort I was induced to wrap myself up in tar oint-As a last resort I was induced to wrap myself up in tar ointment, keep myself secluded, shunned by all, myself also shanning. I was induced to nelieve my case a hopeless one. In August last, by the advice of friends, I went to the New-York City Hoopital, but was there told that my case was incurable. The disease now enveloped my whole body, rendering me almost helpless; the skin thickened and cracked, and blood and matter ran, and life itself became almost a burden. A few weeks since I was induced to use your Sarsaparilla by hearing it so highly recommended, having spent near \$3000 without obtaining but little relief. After using it a short time I found myself better, and now, by using six or eight bottles, costing me less than ten dollars, I am well! Yes, I certify and declare to the world, that after spending near \$3000 in traveling and doctoring, and suffering more than can be told, I was perfectly cured by using your invaluable preparation of Sarsaparilla; and I now recommend it to all similarly afflicted. Those wishing to know farther particulars will find me at my residence,
